Maths, English and Science

ACCOMPLISHMENTS

- Nominated for Best Indie Game Project in a collaborative module; gameplay programmer.
- First-Class grade for Final Artefact.
- Developed leadership, teamwork, and project management skills through community service projects and volunteering.

INTERESTS

- Game development
- Model building and painting

PROFILE

Software developer with professional experience in full-stack development and a background in games design and programming. I have developed production software as well as gameplay features and systems using Python, C++, React, TypeScript, Unreal Engine 5 and Unity. I enjoy designing systems, understanding how they fit within the wider project, and translating them into working features.

SKILLS

Languages: C++, C#, Python, Typescript, Luau

Engines: Unreal Engine, Unity, Roblox Studio

Development: Git, Github, Gitlab, Agile / Scrum

Libraries: VTK, React, Flask, Node, NumPy

3D / Art: Blender, Photoshop, 3ds Max, Hammer

Web: HTML, CSS, REST APIs

EXPERIENCE

SOFTWARE DEVELOPER - ZETHON

Buckinghamshire, Aston Clinton, 01/2024 - 08/2026

- Designed and developed a 3D mesh editor for medical bone segmentation using Python and VTK, creating tools for mesh manipulation and division.
- Developed full-stack features across a React/TypeScript frontend and Python/C++ backend, including robot debugging and log visualisation tools.
- Designed and refactored systems for robot communication, logging, calibration and registration, improving their integration with frontend features.
- Worked within an Agile team, using GitLab, code reviews, Jira/Redmine and unit testing while debugging software against robot functionality.

WARNER BROS SALES ASSOCIATE

Hertfordshire, Watford, 12/2024 - 08/2025

- Worked within a large team, supporting colleagues and providing customer service within different sections of the studio.
- Communicated across multiple departments via radio, responding quickly to customer needs and urgent situations.
- Acted as fire marshal, ensuring safety within areas assigned to.

TESCO COLLEAGUE - NIGHTS CHRISTMAS TEMP

Hertfordshire, Hemel Hempstead, 11/2024 - 12/2024

- Restocked and organised products efficiently while working as part of a team in a fast-paced environment.

BRITISH HEART FOUNDATION - RETAIL SHOP VOLUNTEER

Hertfordshire, Hemel Hempstead, 08/2024 - 01/2025

- Handled transactions, processed and organised donated stock, including deliveries and preparation for the shop floor.
